A. Basic Information:

The proposal under consideration of CSMC was for Central Assistance for 13 AHP and 10 BLC projects under PMAY (Urban) submitted by Chhatisgarh. During the Meeting, the State representatives informed that in addition to these, 2 ISSR projects were also approved by the SLSMC, and 1 BLC project of Bhilai- chorouda was not approved by the SLSMC. The State representatives requested for inclusion of these 2 ISSR projects and removal of 1 BLC project in the list of projects submitted for consideration of Central Assistance under PMAY (Urban). The CSMC accepted the request of the State Government. Hence, the CSMC took up proposals for 2 ISSR, 13 AHP and 9 BLC projects submitted by the State of Chhattisgarh.

B. Additional information by the State:

| |
|---|
| i. The Demand Assessment has revealed a demand for about 1,02,247 houses. The list of 79,000 verified beneficiaries have been entered in to the PMAY-MIS. Out of these, a demand for 5,244 houses has been received under CLSS component. The State representative indicated that the demand may go up to 3.5 lakhs, and it would be completed by 31 st January, 2017. |
| ii. Preparation of HFAPoA is in progress. |
| iii. State Government has made a special arrangement, where the beneficiary share for AHP & ISSR projects would be Rs. 65,000/- out of which, Rs. 25,000/- would be collected upfront from the beneficiary, while the remaining share of Rs. 40,000/- would be collected through monthly instalments of about Rs. 2,000/- each, and will be utilized for |

| |
|--|
| O & M and remaining fund for RWAs. |
| iv. In case of ISSR projects, State share of Rs. 1.4 lakhs and ULB share of Rs. 3.10 lakhs has been envisaged. ULB share shall be from the proceeds gained from the PPP partner. |
| v. For all AHP projects of slum rehabilitation, initially, the State share would be Rs. 4 lakhs. Out of these, Rs. 1.6 lakhs would be in terms of loan to ULB, which would be converted into grant once the slum is de-notified by the ULB. Rs. 40,000/- would be loan to beneficiary, which would be recovered from the beneficiary as mentioned earlier, and Rs. 2 lakhs would be the net State share. |
| vi. Out of 26 AHP projects approved so far, 11 projects of the ULB have been tendered, and the work orders will be issued by the end of month. Out of 14 projects of Housing Board with 13,017 houses, 738 houses have been completed and 2925 are under progress, while another 9,354 houses are under tendering. 1 project of Raipur Development Authority with 1,472 houses is under tender. |
| vii. Bids have been received for 6,750 houses in Raipur, Bhilai, Durg and Bilaspur for construction of houses with monolithic technology. 1 project of Naya Raipur Development Authority will be tendered for pre-cast technology. |
| viii. AHP projects of the State are proposed in the 15% land reserved in the private projects for Affordable Housing. |
| ix. In terms of reducing un-occupancy of JNNURM houses, between June 2016 and November 2016, about 3,070 houses have been occupied, where the original beneficiaries have moved in as a result of the persuasion and special efforts by the State by organizing camps for the beneficiaries. The State representative also mentioned that another 2,500 houses will be occupied in BSUP by January end. |

C. CSMC Observations:

| |
|---|
| i. State Government may use the labour cess available with the labour Welfare Board. |
| ii. State to prepare a backup plan for ISSR projects in case private developers are not willing/ available. |
| iii. State should expedite registration of implementation agencies on PFMS. |
| iv. The mandatory reform of having a single window system for approval of building plans needs to be implemented at the earliest. |
| v. State Government should ensure that adequate infrastructure is provided to the individual household including water and electric connection. |
| vi. Construction of houses shall be ensured as per NBC norms. |
| vii. HFAPoA/AIP of may be prepared at the earliest. |
| viii. State Government should expedite occupancy of the houses built under JNNURM. |
| ix. State Government must submit the pending Utilization Certificates for Rs. 96 Crore for the projects taken up under JNNURM. |
| x. Construction work in JNNURM houses may be expedited. |
| xi. Beneficiary classification as per formats of Annexure 7A, 7B, 7C, prescribed in the PMAY guidelines should be completed for all projects in the proposal. |
| xii. State should ensure that data entries in PMAY-MIS portal may be completed at the earliest. |

B. Additional Information by the State:

| | |
|------|---|
| i. | The 13364 unoccupied houses under JNNURM have already been allotted to the eligible beneficiaries. These will be occupied within next two months. |
| ii. | 17,28,697 applications (12,06,699 on-line and 5,21,998 off-line) have been received under PMAY (U). |
| iii. | Model pre-approved design and layouts have been proposed for new and enhancement under BLC. Minor variation depending upon size and shape of the land would be done. ULBs will monitor and approve if any changes are required. |
| iv. | Out of 10425 BLC (New Construction) under the instant proposal, consent and land documents of 7639 beneficiaries have been received. The consent and land documents of remaining 2786 beneficiaries are being collected. Consent and land documents of all the 861 beneficiaries proposed under BLC (enhancement) have been received. |
| v. | The Beneficiaries will contribute their share as labour. |
| vi. | The Enhancement will be ensured to be minimum 9.00 sq. mt. and the carpet area after enhancement would be within 21 to 30 sq. mt. as per scheme guidelines. |
| vii. | The cost of the enhancement would be limited to Rs. 2.50 Lakhs. The State share would be Rs.1.00 Lakhs or less depending upon the actual cost of enhancement. |

C. CSMC Observations:

| | |
|------|--|
| i. | The CSMC observed that only one model enhancement proposal (i.e. Room +Kitchen +Bath and toilet) with an estimated cost of Rs. 2.36 Lakhs has been proposed by the State for all the 861 existing houses. The State to consider proposals on case to case basis based on field verification of existing housing units and work out the exact cost and the Central and State share required for enhancement of the proposed units. The Central share would be released after receipt of the detailed information from the State for all the 861 proposed units. |
| ii. | State to ensure beneficiary contribution during various stages of construction as HUDCO pointed out that few beneficiaries in town “Barwar” are not willing to contribute the beneficiary share. |
| iii. | State to also ensure that adequate infrastructure is ensured including individual water, sanitation and electric connection. |
| iv. | State Government to ensure that there is no duplication/change in the identified beneficiaries. |
| v. | Verification of land records/ mutation to be carried out before implementation. |
| vi. | The design and construction of houses to be disaster resilient and the design to be as per NBC norms. |
| vii. | The State should ensure that data entries in PMAY-MIS portal is completed at the earliest. |

|----|--------------------|
| 14 | Discussion on CLSS |
|----|--------------------|

1. Chhattisgarh

The representative of the State Government informed that a total of 5,250 potential beneficiaries under CLSS have been identified out of a total demand of 79,296 potential beneficiaries. The final numbers will, however, be known after data validation.

2. Madhya Pradesh

The representative of the State Government informed that a total of 732 potential beneficiaries under CLSS have been identified in the 5 HFAPoAs (submitted for approval to CSMC) which are a part of the approximately 97,000 overall potential CLSS beneficiaries identified in the State. State was requested to share the details with CNAs for further action.

3. Nagaland

The representative of the State Government informed that a total of 426 and 134 potential CLSS beneficiaries have been identified for the towns of Mokokchung and Jalukie, respectively which are a part of the approximately 6,000 overall potential CLSS beneficiaries identified in the State. It was reported that issues relating to collateral security were there and discussions are being held with Lead Banker of the State to sort out the issue. HUDCO was requested to ascertain conditions under which the lone CLSS case in the State was processed by Vijaya Bank to see whether a viable alternative model could be evolved in the State.

4. Puducherry

It was informed that out of 75,956 potential beneficiaries have been identified for PMAY (U) Mission in the State, 46 have opted for CLSS. The State government proposes to organise a meeting with bankers for the issues related to CLSS component in January, 2017. Secretary (HUPA) requested the CNAs to participate in this meeting.

5. Uttar Pradesh

The representative of State Government informed that a total of 4,44,809 online applications have been received under CLSS component in the demand assessment being conducted in the State. This data will be supplemented by the applications received by the conventional mode.

| | |
|----|------------------------------|
| 15 | Other important observations |
|----|------------------------------|

The following important observations were made regarding project proposals under PMAY(U). States should take note of the observations of CSMC and take further action accordingly:

1. States/UTs must complete Demand assessment as well as submit the Housing for All-Plan of Action (HFAPoA) without any further delay, and get the projects approved under PMAY(U) at the earliest. This is important so that the States have enough time to complete the approved projects within the mission period.
2. CSMC requested the State Governments to expedite implementation of mandatory reform conditions by December 2016 so as to meet the Mission goals
3. States are requested to enter the beneficiary details from the demand survey, as well as project data in PMAY-MIS at the earliest. All beneficiaries must have a valid ID numbers, preferably Aadhaar numbers. States are requested to get the beneficiaries' Aadhaar enrolment numbers where the beneficiaries do not have Aadhaar number. **In cases where the beneficiaries have not applied for Aadhaar numbers, the State should assist such beneficiaries to get enrolled for Aadhaar numbers.**
4. Housing being a State subject, selection/ identification of beneficiaries comes under the purview of the concerned State/UT Government. The online applications being received through CSCSPV & PMAY-MIS portal are required to be validated by the concerned SLNA/ULBs and thereafter include eligible beneficiaries in the project proposals under PMAY(U) Mission.
5. All SLNAs and implementing agencies must register themselves on Public Finance Management System (PFMS) portal so that the fund flow could be tracked.

6. Under PMFS/DBT process, the funds would have to be transferred at every stage only through electronic mode. This may relate to PMAY as under:
 - a. In case of Centrally Sponsored Schemes:
 - i. For Beneficiary Led individual house Construction (BLC), under PMAY (Urban), the bank account details of the beneficiaries should necessarily be mapped so that the funds can flow to the beneficiaries' bank account directly.
 - ii. In the case of Affordable Housing in Partnership (AHP) and In-Situ Slum Redevelopment (ISSR) projects under PMAY (U), the 2nd instalment to the State Government should be released only after receipt of beneficiary list with linkage of Aadhaar numbers of the beneficiaries duly certified by the State Government/ UT concerned and uploaded in the PMAY- MIS portal.
 - b. In case of Central Sector Scheme:
 - i. for CLSS, the Central assistance is deposited upfront in the loan account of the beneficiary, after the bank receives the funds from CNAs.
7. State Level Appraisal Committee is expected to thoroughly appraise the DPRs before submitting it to State Level Sanctioning & Monitoring Committee for approval. Combining SLAC and SLSMC meeting is not permissible as the mandate of the two bodies are distinct.
8. Projects such as VAMBAY or JNNURM etc., which have already been funded under housing schemes of GoI should not be considered for further funding under PMAY-HFA(U).
9. ULBs are to ensure undertaking from the beneficiaries to the effect that they have not availed of funding under any other project/ schemes of GoI for the house being constructed/enhanced under PMAY(U).
10. CSMC has been reviewing the progress of completion and occupancy of JNNURM and RAY projects with the concerned Authorities. The CSMC reiterated that the State Governments must expedite physical completion and occupancy of JNNURM and RAY houses. **There would not be further funding in JNNURM projects after December, 2016.**
11. Under the BLC all individual houses shall have to be Geo-tagged on the BHUVAN-MHUPA application. Further, the **States are advised to release the funds to beneficiary only after the beneficiary completes the construction up to foundation level through their own funds.**

The meeting ended with a vote of thanks to the Chair.
